

Listing of Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

1. (original)

A perspiration pad for insertion into the armpit with an absorbent pad consisting of two mutually bendable sections and a self-adhesive film projecting beyond the edge of the pad, characterized in that the self-adhesive film (3) is interrupted at least in the bending region of the two sections of the pad (2).

2. (currently amended)

A perspiration pad according to claim 1, ~~characterized in that~~ wherein at least one curved bending line (4) is provided in the bending region of the pad (2).

3. (currently amended)

A perspiration pad according to claim 1, wherein ~~or 2,~~ ~~characterized in that~~ the selfadhesive film (3) is applied in form of boundary strips to the edges of the pad sections.

4. (currently amended)

A perspiration pad according to claim 3, ~~characterized in that~~ wherein the pad (2) is covered in a liquid-tight but gas-permeable way on the side averted from the skin both between the boundary strips of the self-adhesive film (3) as well as in the bending region.

5. (currently amended)

A perspiration pad according to ~~one of the claims 1 to 4~~ ~~characterized in that~~ claim 1, wherein the perspiration pad (1)

is provided with a trapezoid configuration.

6. (currently amended)

A perspiration pad according to claim 1, wherein ~~one of the claims 1 to 5, characterized in that~~ the self-adhesive film (3) is welded together with the pad (2) in the boundary region of the pad (2).
